

Sign In/Out Waiver

- I am aware of the Class ACT sign in/ sign out policy that requires a parent/guardian to sign their student in and out of each class.
- Instead of coming in to the building to sign my child in and out of class, my student will instead sign himself/ herself in and out of class.
- I understand that when my child signs himself/ herself out of class, that Class ACT is no longer responsible for them.

Student's Name

Class ACT class

Signature of Parent/ Guardian

Printed name of Parent/ Guardian
